

Nissan Forklift Part

Nissan Forklift Parts - Nissan prides itself on reaching overall client fulfillment when their buyer is enjoying one of their countless trucks, cars or lift trucks. Nissan Forklift division is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to offering high value and meticulous quality standards to their customers. Incorporating a prosperous heritage combined with solid production principals, Nissan lift trucks offer many of the best materials handling equipment the industry has to offer.

In order to satisfy the worldwide needs of their assorted consumer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to offering customer support, the business has four distinct production facilities that allow them to constantly adapt to their customers continually evolving desires by offering an assortment of innovative ideas and designs.

The Nissan Lift truck North and South American base is located in Marengo, Illinois. A dedicated team of 350 personnel is committed to the collaboration, design and manufacture of their goods. Working under the ISO-9001 and ISO-14001 certifications, enables each sector of the Nissan Forklift Corporation to preserve environmental accountability by using techniques that diminish the global influence of their products and processes. These high values remind consumers that Nissan operates under the quality seal that their clients command while being an environmentally responsive corporation.

Nissan is fairly certain that any of their consumers questions and customer worries directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, reaching one of their locally sanctioned dealers or even traveling to their Midwestern office, Nissan Forklift Corporation is sure you will be impressed with their warmth and dedication.
